Dear Mr. President;-

Dr. O. C. J. Withrow was appointed this Fall as Class Assistant in Biology, at a remuneration of Eighty Dollars. He has since been appointed Medical Officer to the 81st. Battalion, and asks to be relieved from service.

I would be obliged if you would arrange the matter so that Dr. Withrow will receive Fifteen Dollars (\$15.00) in consideration of his service to date, and that H. G. Willson, B.A., M.B., be appointed in his place at Sixty-five Dollars (\$65.00).

Yours sincerely,

B. A. Brewley.

Professor Bensley,

Department of Biology.

Dear Professor Bensley:

I will lay the matter of your letter before the Board at its next meeting on Thursday, but I shall be glad to see you before that in order that I may refresh my memory with the circumstances.

Yours sincerely,

President.

President R.A. Falconer,

Dear Mr. President;

I have selected Mr. E. B. S. Logier, 10 Markham Place, Toronto, to replace Mr. J. B. Williams as Museum Assistant and Cataloguer for this Department and for the Royal Ontario Museum of Zoology, during the absence of the latter from December 1st to April 1st (or perhaps later), at \$65.00 per month.

I wrote the Bursar about this matter on December 14th, and he has called my attention to the fact that the recommendation should have been sent to you. I hope you will overlook this omission since I had assumed that a special arrangement had already been made in accordance with my letter of June 8th.

Yours sincerely,

B. A. Bensley.
